

COMPLIANCE STATEMENT REACH 250

Date: 02.07.2025 – 33rd update REACH candidate list – 250 substances

To whom it may concern,

This is to certify that Estoppey-Reber Group, located at Headquarters, Aegerten 2558, Switzerland, has complied with the requirements of the REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals) Regulation (EC) No. 1907/2006 and subsequent amendments.

Registration:

All applicable substances used by Estoppey-Reber Group have been registered with the European Chemicals Agency (ECHA) in accordance with the registration deadlines specified under REACH.

Communication within the Supply Chain:

Estoppey-Reber Group has fulfilled its obligations to provide relevant and up-to-date safety information regarding the substances it manufactures or supplies downstream to customers as required by REACH.

Restricted Substances:

Estoppey-Reber Group has implemented procedures to ensure compliance with the restrictions on the manufacture, placing on the market, and use of substances specified under REACH Annex XVII.

Authorization:

Estoppey-Reber Group has obtained the necessary authorizations for any substances subject to authorization requirements under REACH, as specified in Annex XIV, or is not engaged in activities that require authorization.

Safety Data Sheets (SDS):

Estoppey-Reber Group has recorded all Safety Data Sheets (SDS) for all substances in compliance with the requirements of REACH Article 31, which can be provided during an audit.

Substances of Very High Concern (SVHCs):

Estoppey-Reber Group has established procedures to identify and manage substances of very high concern (SVHCs) included in the Candidate List published by ECHA, as per REACH Article 59.

Estoppey-Reber Group remains committed to upholding the principles and requirements of the REACH regulation and continuously monitors updates and changes to ensure ongoing compliance.

This compliance certificate is valid as of the date mentioned above and applies to all relevant processes performed by Estoppey-Reber Group as per the scope defined under the REACH regulation.
